you know you're over 60 when...

INTRODUCTION

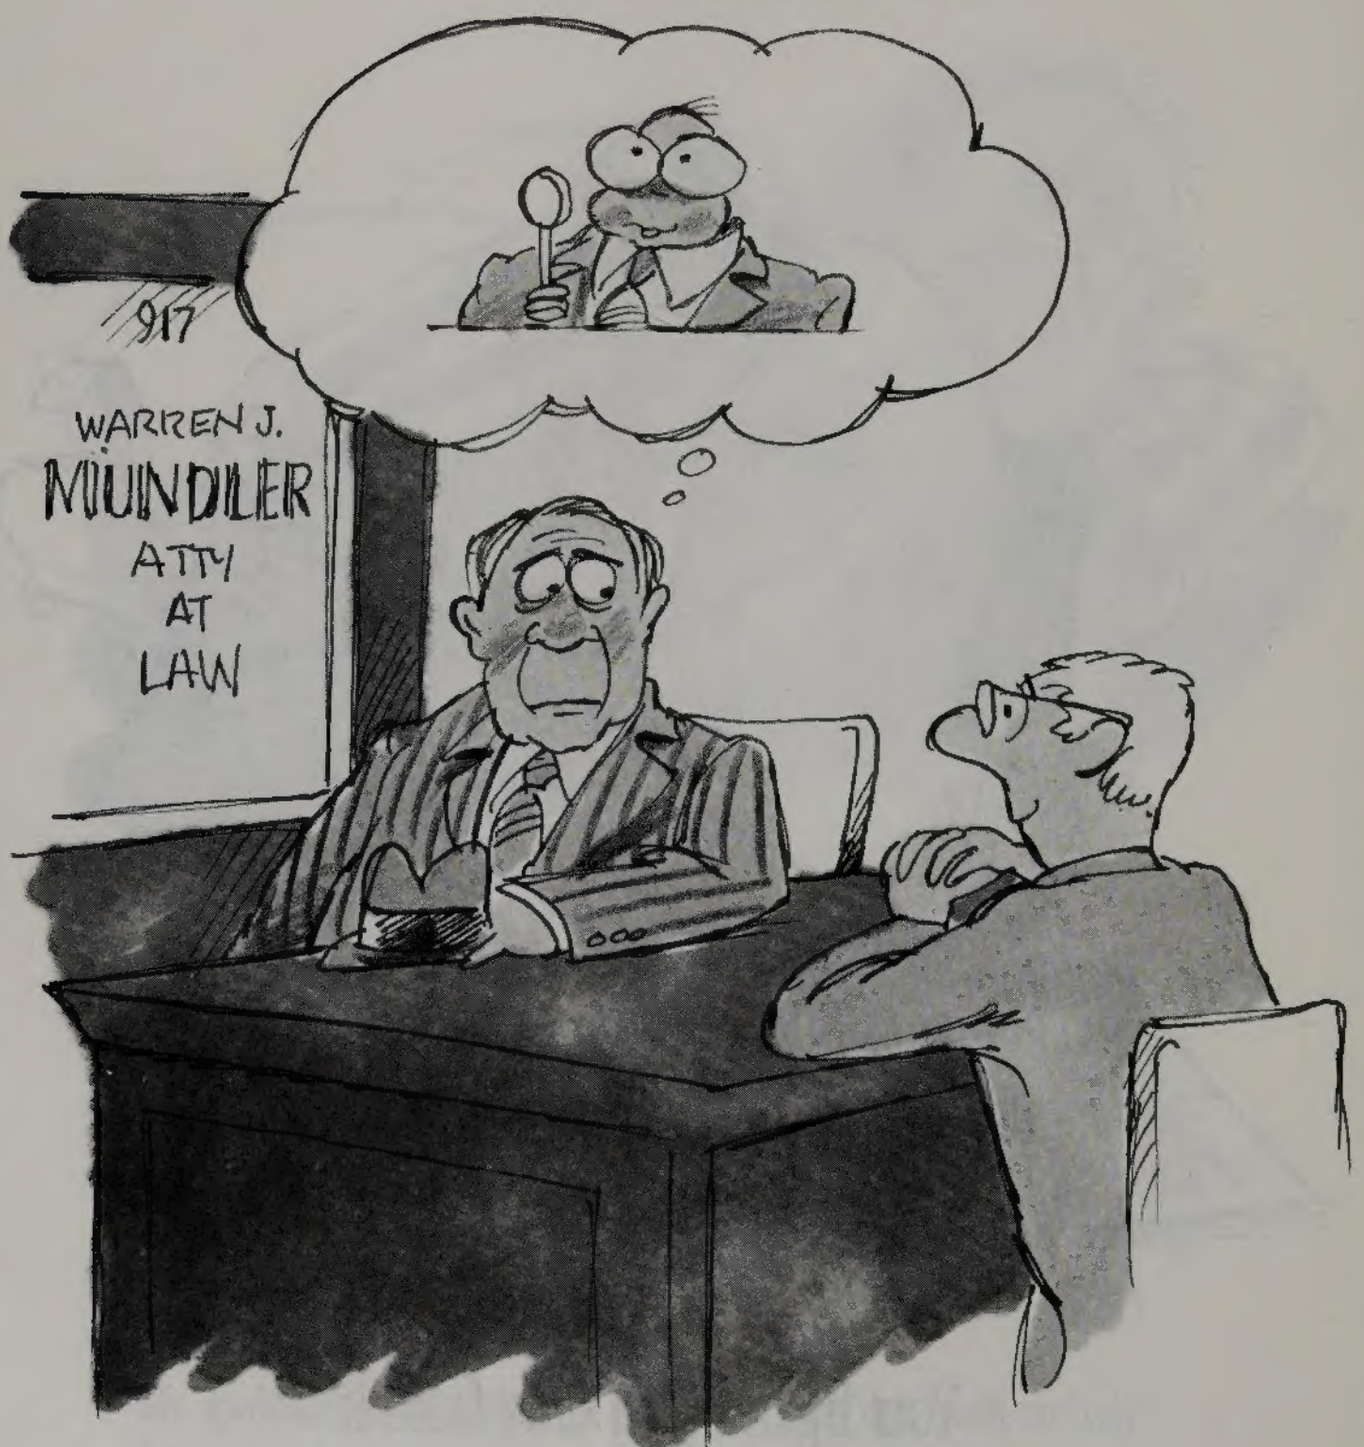
To be 60 years young is sometimes far more cheerful and hopeful than to be 40 years old. This little book will give you some of the foibles and idiosyncrasies that will help you to realize when you have reached your sixties, even though your body and soul feel younger and your mind is so forgetful that you can't quite remember how old you are.

My apologies to all ladies for having written this book entirely from a male's point of view. Our studies show that women seldom pass the age of 40. For those who do, my wife's book, "I'd Rather Be 40 Than Pregnant", should provide ample consolation.

you know you're over 60 when...

You figure you can fake it
long enough to remain
"computer ignorant" the rest of your life.

you know you're over 60 when...

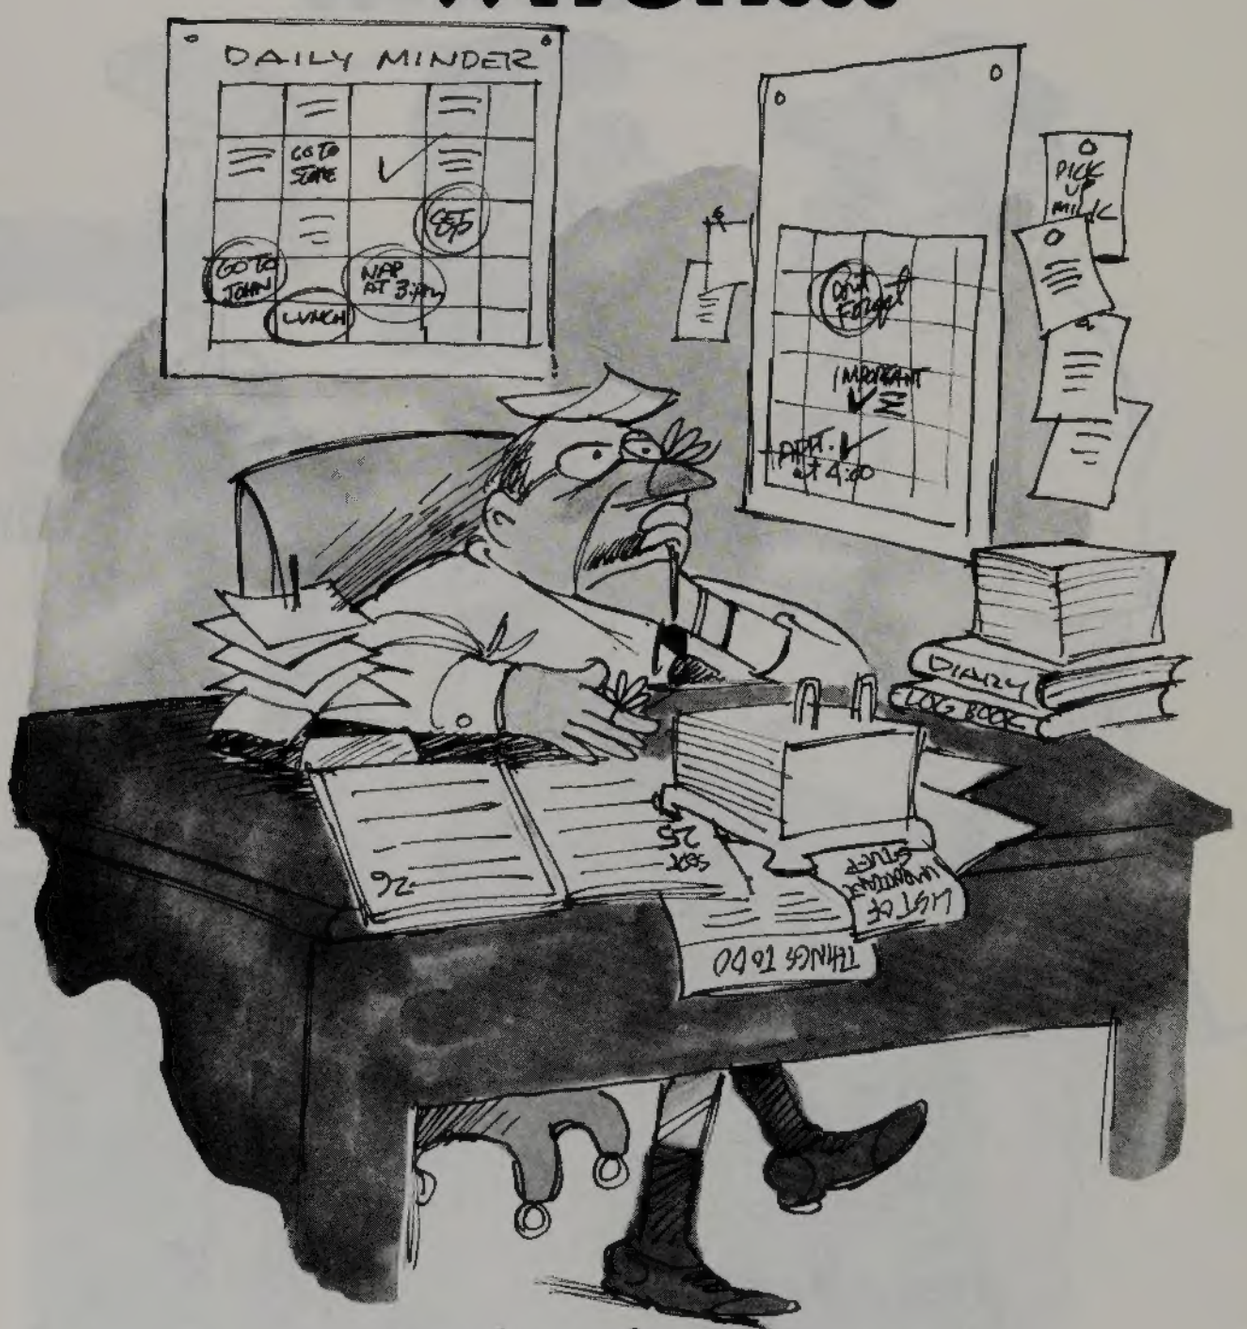


You tend to refer to
anyone under 40 as a "kid".

you know you're over 60 when...

People start telling you
"You're not getting older, you're getting better..."
and you believe them.

you know you're over 60 when...



You keep forgetting.
You surround yourself with calendars,
memo books and notes
and still you forget.

you know you're over 60 when...

Getting a little action
means your prune juice is working.

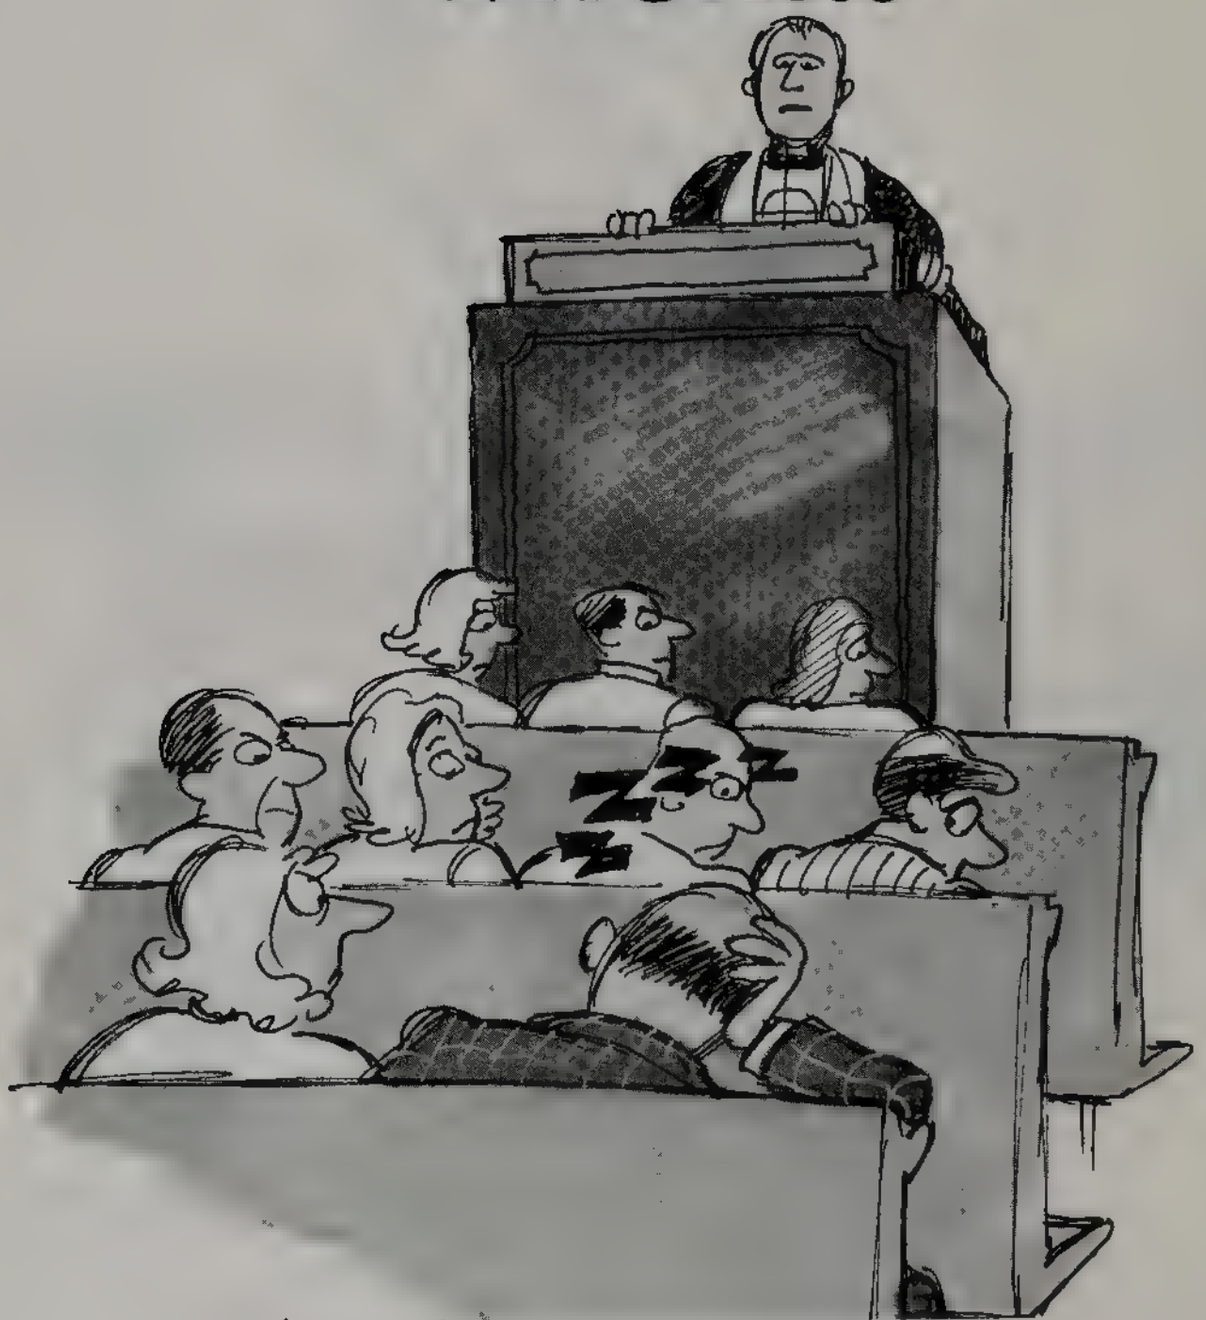
you know you're over 60 when...

You feel like the "morning after"
and you can swear
you haven't been anywhere.

you know you're over 60 when...

You enter the metallurgical period of your life:
silver hair, gold teeth, and a lead bottom.

you know you're over 60 when...



Religion becomes a much more
important factor in your life.
You can still, however,
sleep through any sermon.

you know you're over 60 when...

Your children start to listen to you.

you know you're over 60 when...

Your grandchildren are taller than you are.

you know you're over 60 when...

You start dressing like a sport.

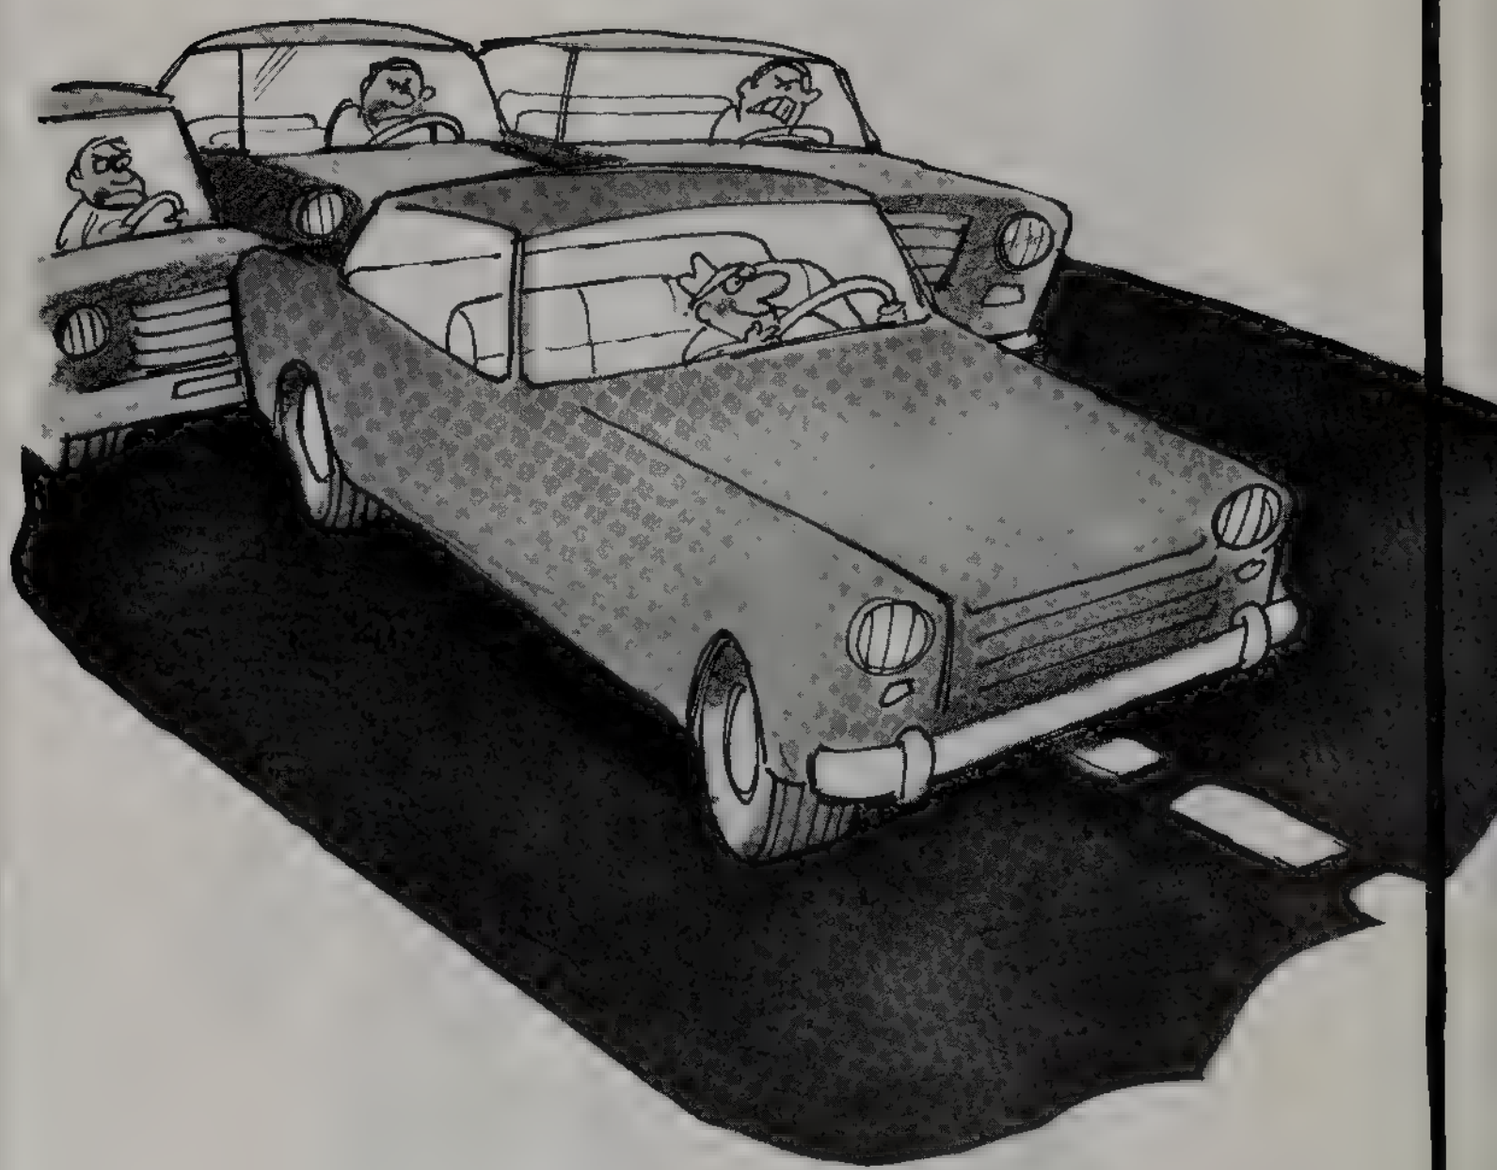
you know you're over 60 when...

You add "God Willing"
to the end of most of your statements.

you know you're over 60 when...

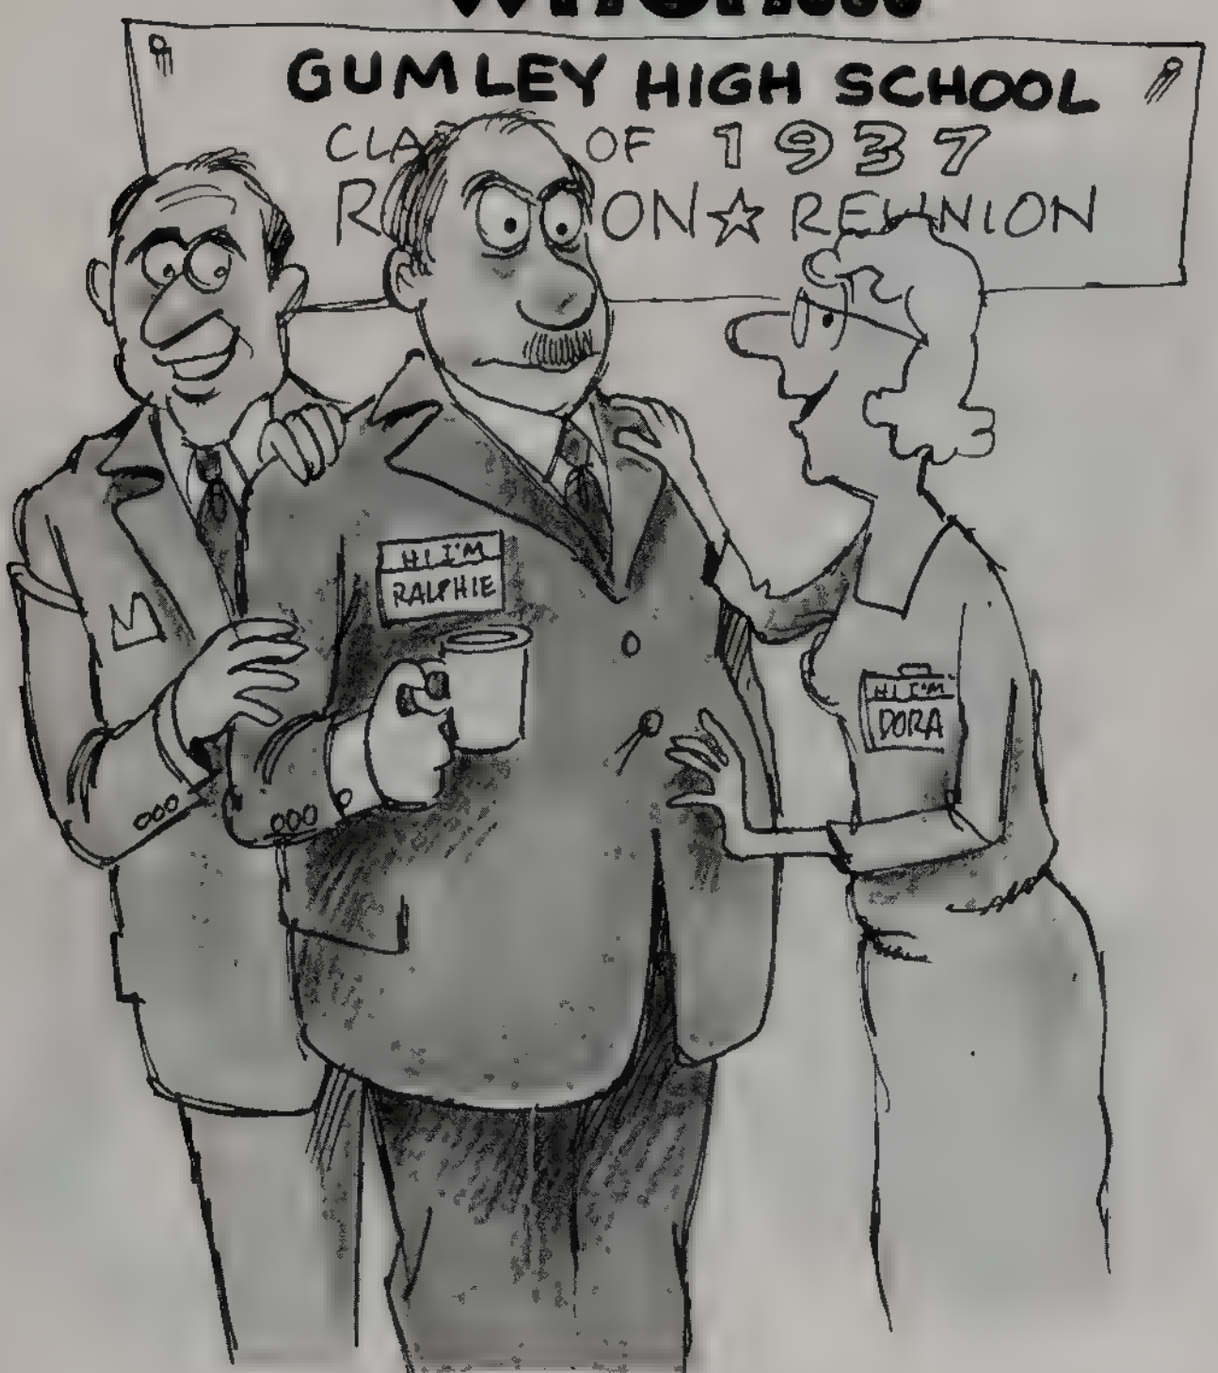
You begin to relax.
You feel you can handle any catastrophe.

you know you're over 60 when...



You feel more comfortable
straddling two lanes.
55 MPH seems a very reasonable
and safe speed to travel at.

you know you're over 60 when...



People keep saying "You haven't changed."
This is the culmination of the 3 stages of life:
youth, middle age, and YOU HAVEN'T CHANGED.

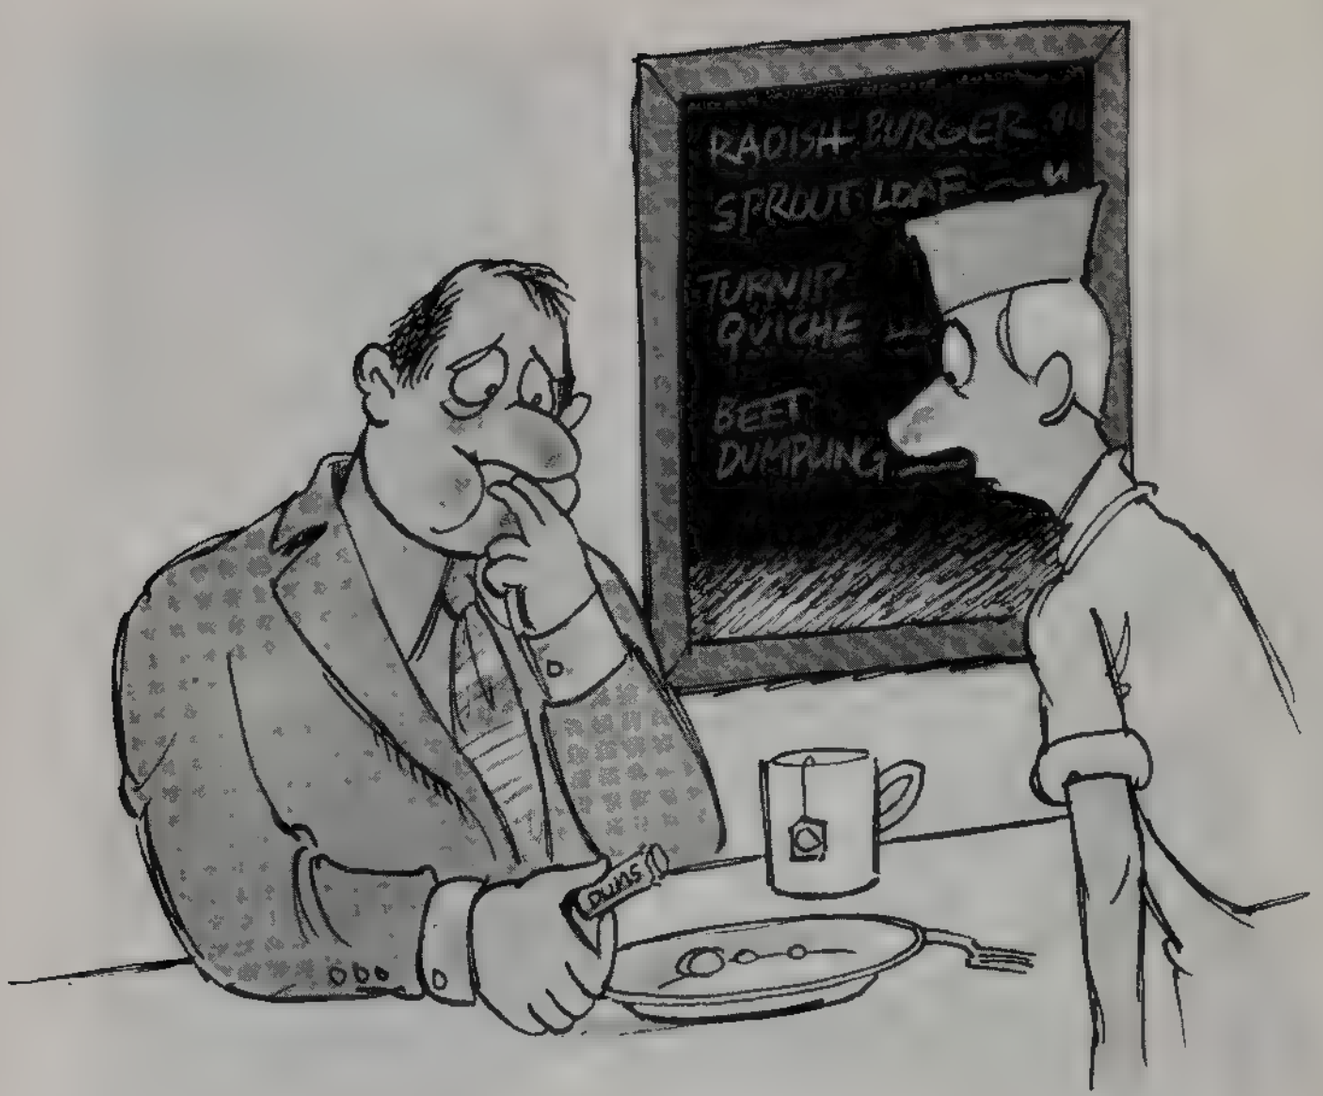
you know you're over 60 when...

Walking to the mailbox is exercise enough.
You're finally smart enough
to hire a kid to mow the lawn.

you know you're over 60 when...

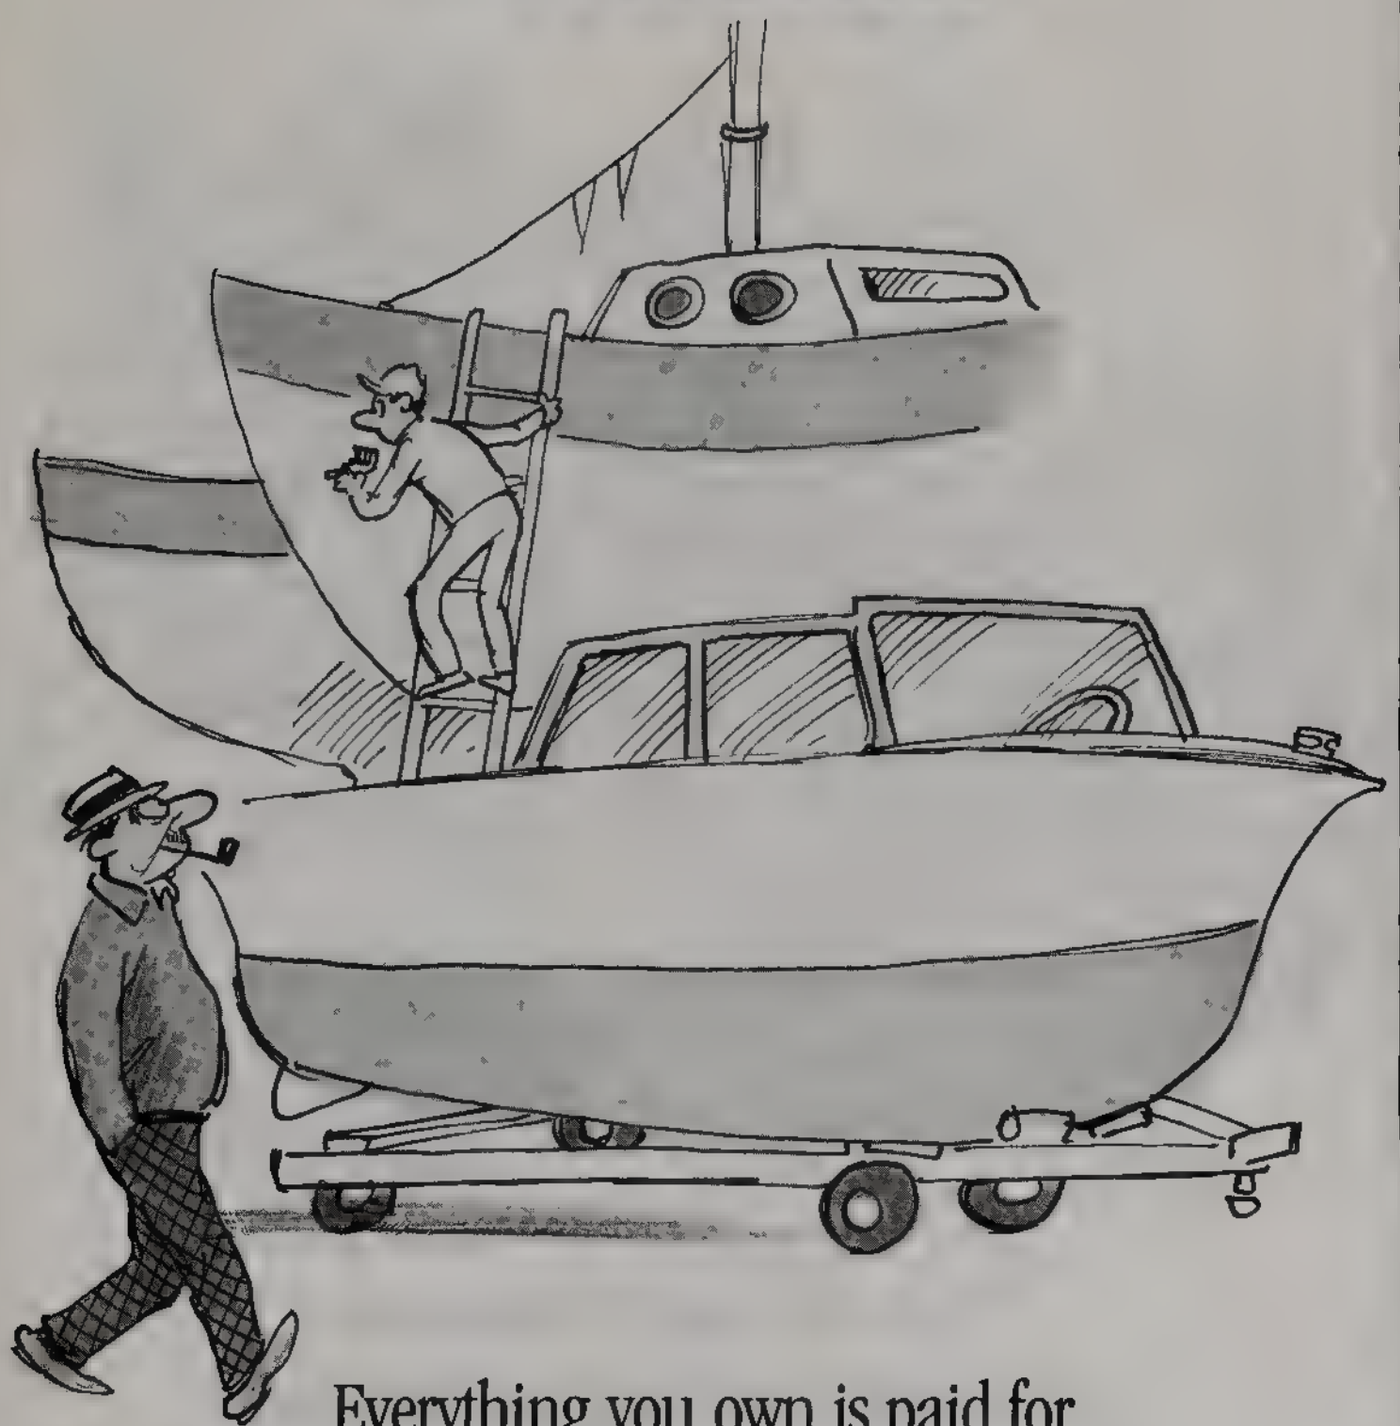
Your children start losing their hair.

you know you're over 60 when...



You've stopped smoking,
drink with moderation, and eat more sensibly.
Still, you have to carry
antacid pills around with you.

you know you're over 50 when...



Everything you own is paid for.
You can finally afford all the
things you no longer want.

you know you're over 60 when...

Your calendar is filled with
doctor and dentist appointments.
You prefer calendars with big numbers
rather than naked girls.

you know you're over 60 when...

Your children start giving you advice.
What's more, you're sometimes
confused enough to follow it.

you know you're over 50 when...

You've tried every diet that has come along
for the last 15 years
and still you weigh too much.

you know you're over 50 when...

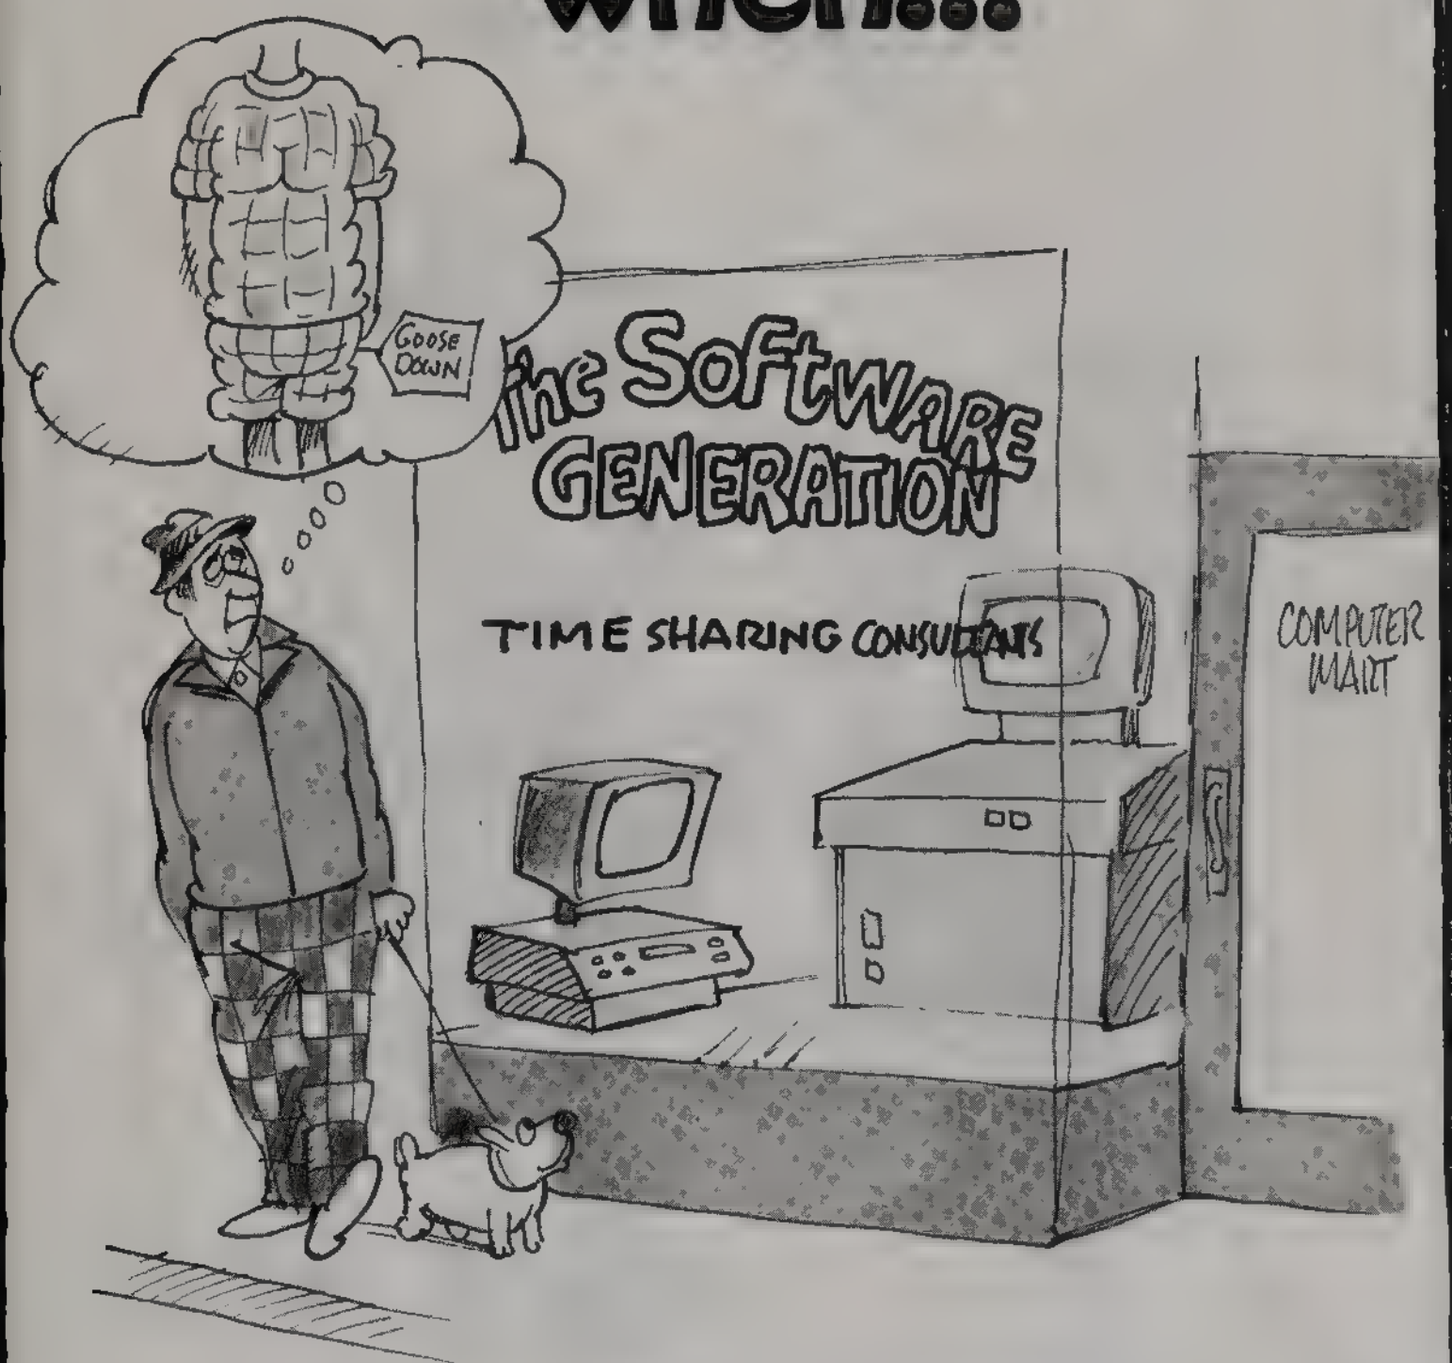
You realize your house is too big for you.
Your friends are buying condominiums
and moving to the sun belt.

you know you're over 60 when...

REAL IMPORTED COGNAC BRANDY REALLY IT'S THE GOOD STUFF 29.00
CHATEAUX LA FITTE 1869 EXTRA SPECIAL 175.00
YES SIR
IT GOOD
OH BOY
THIS IS THE BEST WAY NAPOLEON DRANK THIS VERY STUFF
V I N

You can finally afford the fun things
in life that your doctor won't allow.

you know you're over 60 when...



You think "software" is a new
comfortable undergarment and "time sharing"
a kind of romantic togetherness.

you know you're over 60 when...

You can't remember when prunes, bran, and figs weren't a regular part of your diet.

you know you're over 60 when...

You're cold.
While you wear sweaters, kids are running about almost naked and you can't believe they're not freezing.

you know you're over 60 when...

You give up trying to learn the names
of all those new African countries.
At least you could spell
the Belgian Congo and Rhodesia.

you know you're over 60 when...

You are fairly convinced that
there is no problem with your eyes.
It's just that other people
are becoming slightly blurry.

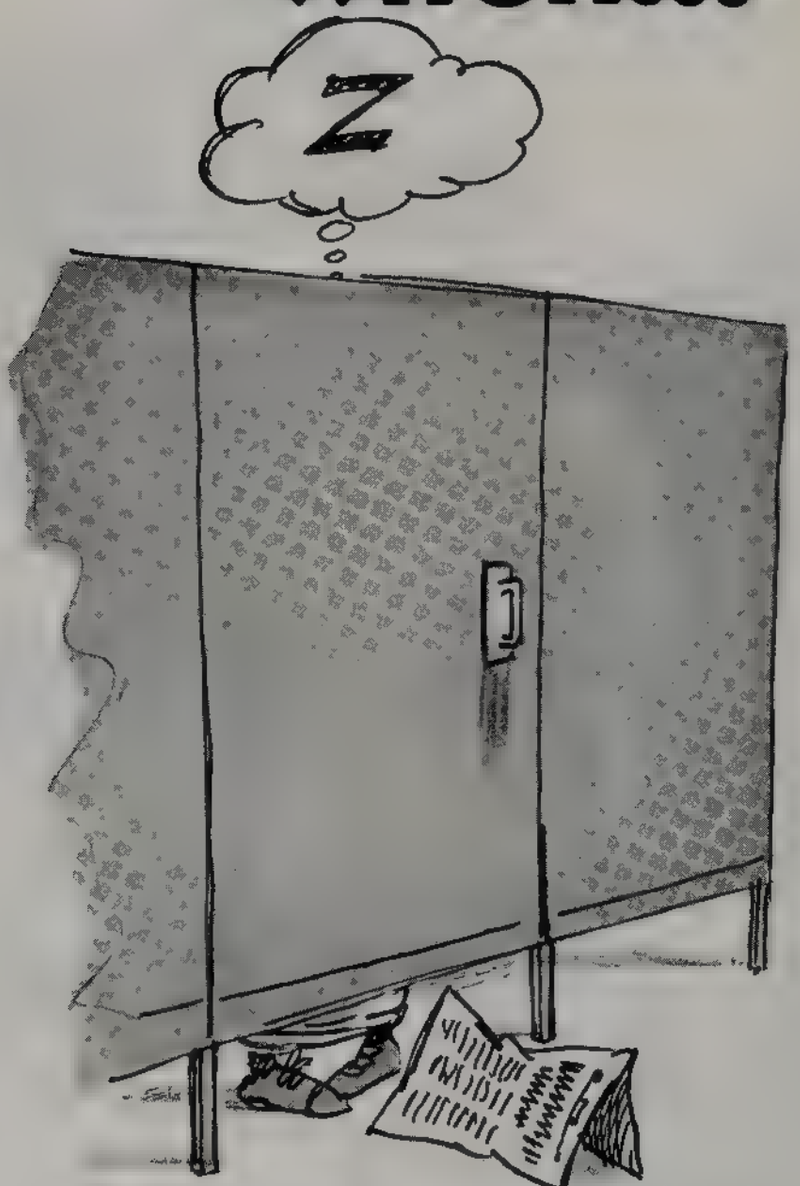
you know you're over 60 when...

You are vaguely suspicious of "new" foods such as sprouts, tofu, sushi, and seeds.

you know you're over 60 when...

When people talk about drugs,
you think of penicillin.
Snorting coke seems to have something to do with
sucking up cola through a straw.

you know you're over 60 when...



Sometimes you stop to think
and forget to start again.
Sometimes you mix up your children's names.
Sometimes you forget your own age
(this last one is particularly
tricky 'cause it changes each year).

you know you're over 60 when...

You'd rather talk about your grandchildren
than brag about your conquests.

you know you're over 50 when...

You start to look forward
to dull evenings at home.

you know you're over 50 when...

You are absolutely positive
they build stairs steeper these days.

you know you're over 60 when...

You start dressing for comfort
rather than blindly following the latest fad.
You don't care if your neckties are wide or narrow,
as long as they aren't too badly stained.

you know you're over 60 when...

It takes you all night
to do what you used to do all night.

you know you're over 60 when...

Some of the Presidents
you actually voted for were later shown to be such
incompetents that you
are totally ashamed to tell anyone.

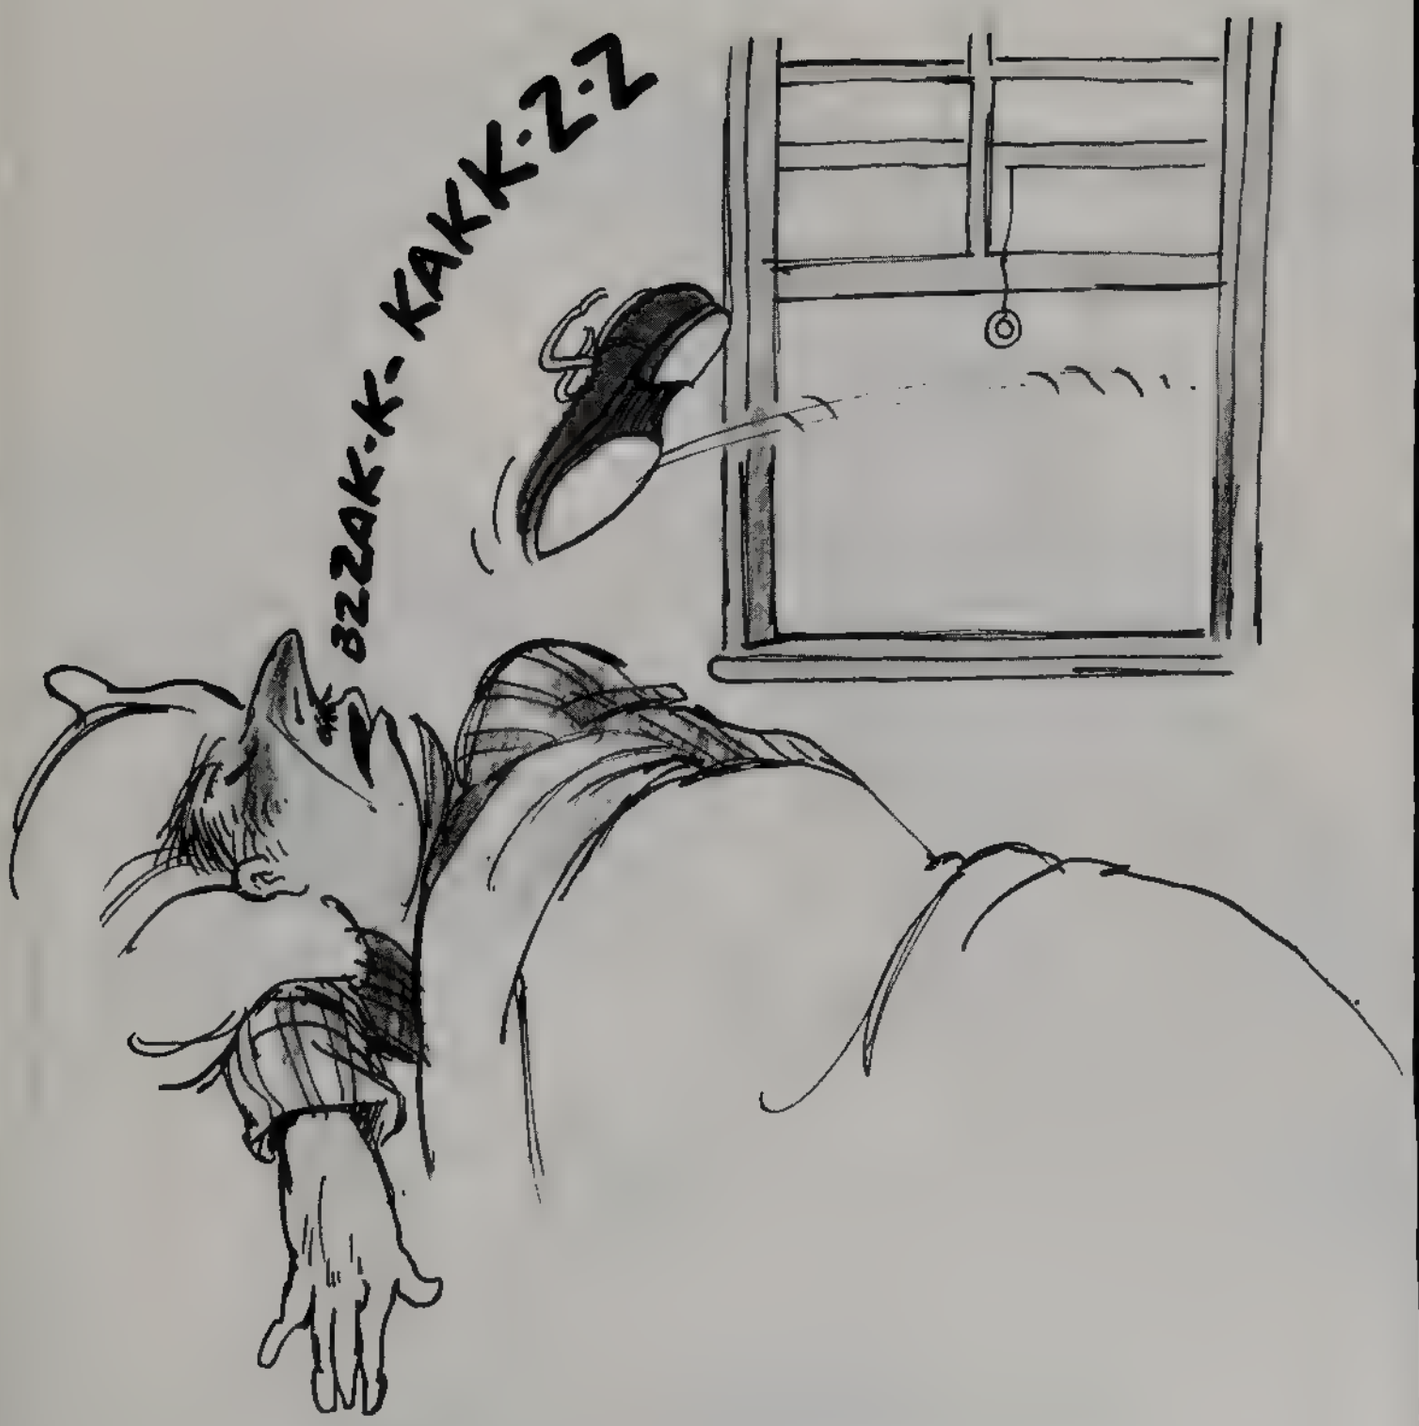
you know you're over 60 when...

You don't see anything humorous
or strange in carefully perusing any ads
promising relief from hemorrhoids,
constipation, hair loss, or back pain.

you know you're over 60 when...

You sit down to put on your underwear,
and you find the boxer style
more comfortable than the jockey.

you know you're over 60 when...

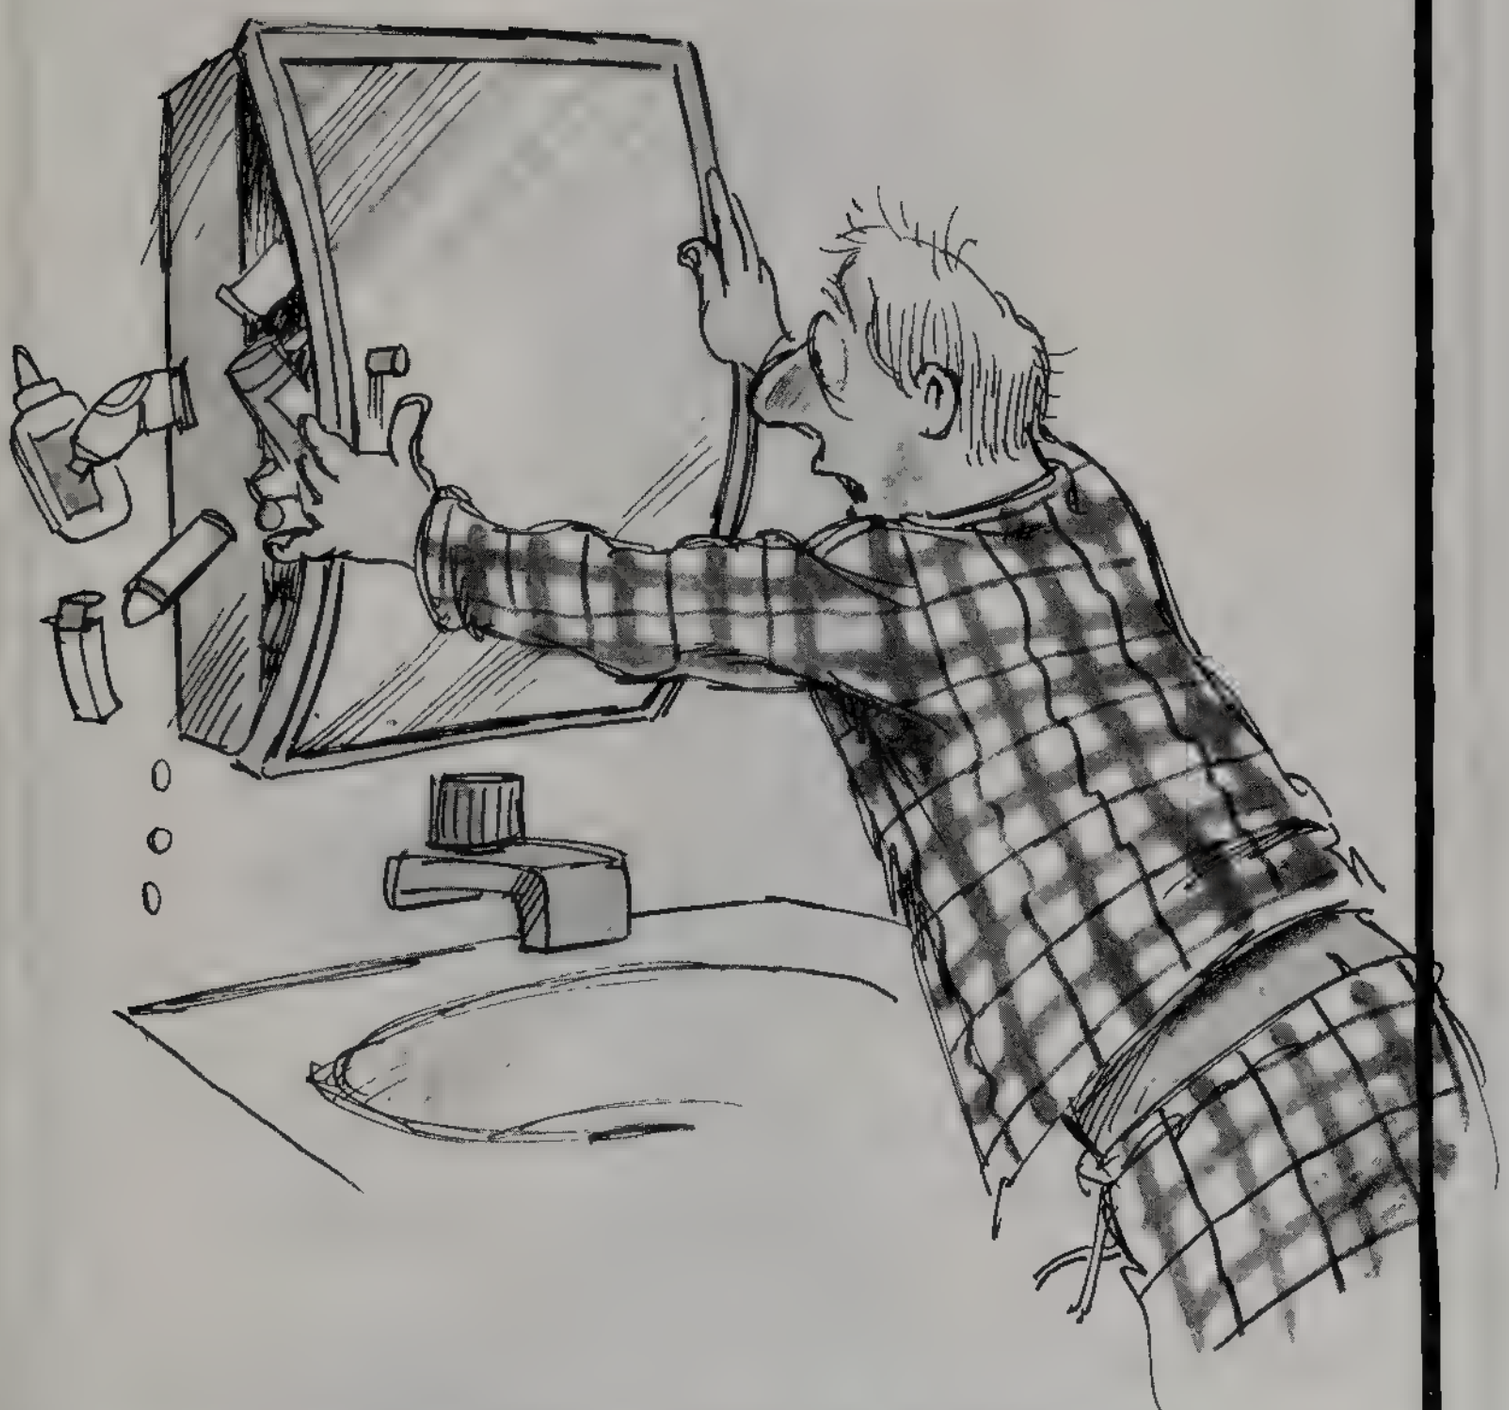


People complain about your snoring.

you know you're over 60 when...

Your stomach fails to appreciate
a cream pie or salami sandwich just before bedtime.

you know you're over 60 when...

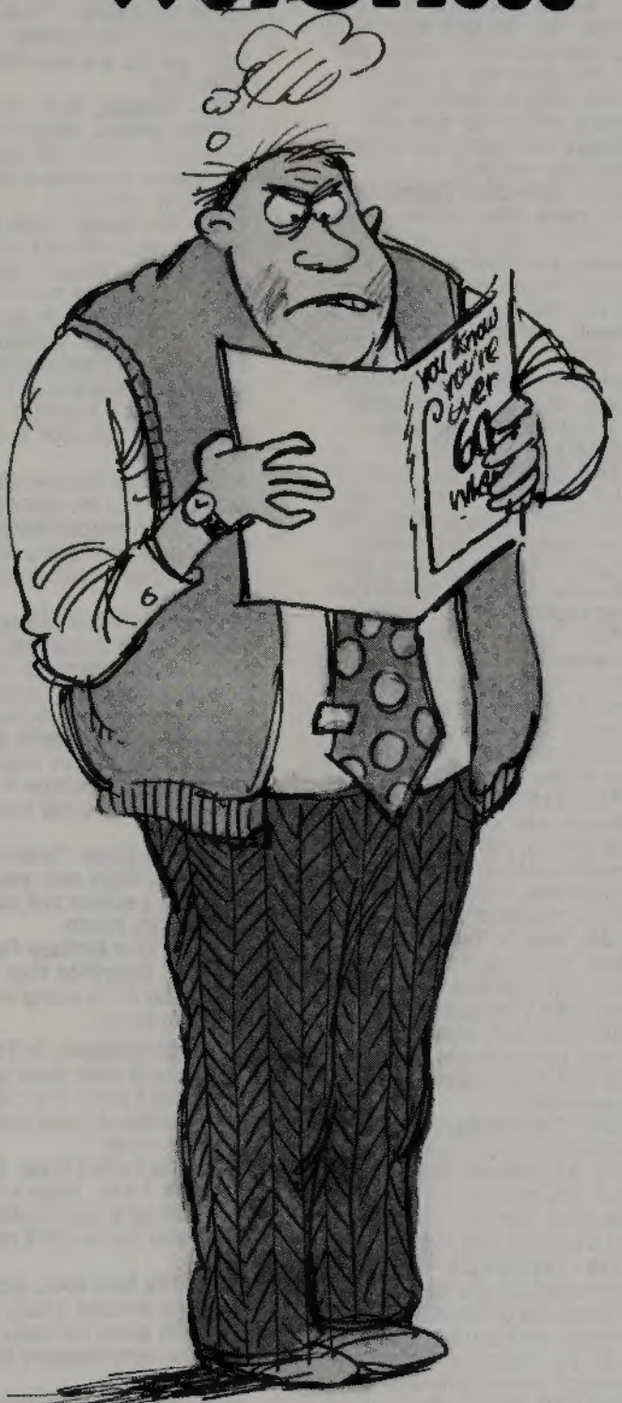


Your medicine chest has to struggle
to contain all your pills, lotions, and medicines.

you know you're over 60 when...

Your back goes out more than you do.
You go to doctors, osteopaths, chiropractors,
and orthopedic surgeons.
You change your mattress, shoes, posture, car seats.
You lose weight, wear a brace, rest in bed,
hang upside down, and it still hurts.

you know you're over 60 when...



You stop looking forward to birthdays.
You plot revenge on people
who give you gifts like this book.
